

JAMESTOWN HIGH SCHOOL CLASS OF 84

40 YEAR REUNION

JULY 26TH AND 27TH, 2024

GREETINGS FELLOW BLUE JAYS!!

Hard to believe, right? 40 years? Well, it's true and it's a great enough reason to get together and celebrate!!

Please join us this summer for a weekend of reminiscing about the good times, catching up on the present and making memories for the future. Our plans include a social Friday night at 5:30 pm at Jamestown's newest drinking establishment. You may remember this location as the former Haroldson's Office Supply.

Saturday's activities will include riding in a float in the Buffalo Days Parade, followed by a class photo at the old high school, now the Jamestown Middle School, and the banquet. The banquet will be held in the new Drift Prairie Brewing Co. The social will start at 5 pm with dinner and program at 6. We also plan on holding a silent auction Saturday evening, so we're asking everyone to find something from your work, or unique to the state you live in, or anything else you'd like to donate. Proceeds will go toward the "Class of 84" fund that we use for class member memorials and other expenses. At 7 pm, you have the option to take a bus to Spiritwood Resort for the Hairball Concert that starts at 8 or can stay downtown and attend the free street dance at the Corner Bar. Tickets to Hairball are NOT included in your registration. There are also several other activities throughout the weekend available during Buffalo Days, the full schedule is attached in this mailing or available at jhsclassof84.org

Please send your registration and rsvp by July 15th so we can plan for numbers. And whether you can make the reunion or not, please fill out the short bio form too so we can catch up with your life beyond JHS!! And if you're on Facebook, like our page at Jamestown ND Class of 1984.

Sincerely, the JHS Class of 84 Reunion Committee: Cindy(Weispenning) Kleven, Rhonda (Dewald) Ravelly, Barb (Dunn) Johnson, Lynn (Peterson) Lambrecht, Melissa (Benson) Schumacher, Lisa (Bertsch) Lee, Denise (Braaten) Olson
